

Halifax 24 Sept. 1845

My Dear Sir,

It is quite clear that
you have no legal remedy
against D. Green - because
you have not summoned
your witnesses - It might
have been done for you -
but it is not to be late yet.

I am the better satisfied
to you to stay by Mr.
Mr. Bentley - we are both
to see the D. in the
early part of the week
and will then inform you
respect to your case. I am

Your truly
Wm. J. W. D. Green
