

Halifax March 26th 1849

Mr J. W. Dawson
Treasurer of Synod of P. Ch. of N. Scotia.

My Dear Sir

After paying the amount for which I drew when I last addressed you, you left two Pounds ten Shillings & 6^d in my hands to pay for the publication of this Address on Temperance. As that sum was inadequate I gave the Balance from my own pocket some months ago. I beg leave now to submit a statement of the expense incurred and to ask for the Balance as you will find by looking at the minutes that I published by order of Synod.
