My Dear Sir

When I closed the Synod account and put it into the Printers hands I did not know what the extra printing would come to. Therefore put in the Synod Minutes £5. Since that time I drew £1 additional but having now received the Printers account I find I must call upon you for something more.

The account is as follows

Synod of P. & M.

To William Cunnahell Sen

Sep 26 To printing and doing up 500 Copies of Minutes	£ 5 " "
To Twenty five Extra Copies of " "	" 2 6
To 550 Copies Statistical Tables	2 " "
To Pastors Two hundred & 50 tables on Synod minutes	" 3 "
To Printing 300 Circulars. Pages on Letter Paper	1. 10 "
	£ 8. 14. 6

Of this I have received £120

leaving a Balance due me of 2. 14. 6

Carriage of Synod Minutes to P. & M. " 1. 6

£ 2. 19. 0

I will feel obliged by your remitting the above balance at your convenience. I do not think that any more can be drawn till next year so that if you can

place the remainder of the money in the Bank or in  
any way to advantage I think you may do it without  
any apprehension of being called upon

I Remain

Yours truly
