to the boxes of Missionary Supplies shipped by the "Thomas  
Henry". and I have now the pleasure of informing you  
that they are all stored in good <sup>order</sup> in my premises. where they  
will be taken particular care of and delivered without  
"fee or reward" when called for, they were in the House  
on Deck and were taken out ashore the first thing landed

The Ship is a good deal damaged and lies  
in an exposed situation and is to be sold for the benefit  
of all concerned next Tuesday
