

Dear Sir

I beg leave to acknowledge  
the receipt of a copy of Pappin's Pro-  
verbial Philosophy which you  
sent to me last Fall. I would

have remitted the pay by the  
Students — but I supposed that

you would have some small  
balance in your hand of my  
money after paying me from  
the order which I gave him on  
you. ~~But~~ As I have heard nothing

in reference to that order I am  
doubtful if the Board of Home  
missions have ~~paid~~ ordered

you to pay me. But I trust I  
shall see you when the Synod  
meets which will soon be  
now.

Yours truly

Isaac Munn

Dear Sir

Accompanying this is a  
Box of clothing in aid of our Foreign  
mission scheme. The principal part  
of the articles was collected from  
the Ladies of New London belong-  
ing to Mr. Geddie's late congregation  
Persons of the same place of other  
denominations to some small ~~extent~~  
extent also contributed. The box  
is valued at \$20 Island Cy. It  
is hoped that it may be forwarded  
in time to be shipped in the  
"John Williams". But if you think  
that this is impossible, you are requested  
to embrace the first opportunity pre-  
senting itself to forward it to Mr.  
Geddie. & thus secure the ultimate  
object of those more immediately concerned  
with much respect

Mr. J. W. Dawson } I remain yours  
Treasurer &c } Isaac Murray
