REF.	8

Halifax Jan. 24 1861

D. Dawson

Dublin.

The Geology associated with our last parcel to Chambers we have advertised and sent copies to of the Supplement to all the Editors but up to the present time have not succeeded in disposing of any. We are afraid to risk so many copies but will do all in our power to push them off on your account. We will forward the copies you mention except to the Witness & Chronicle which we have already supplied

Yours Obedt

W. Macaulay
