The Hill College

May 5/61

My dear Sir,

Thanks for

mine has prevented me

from thanking you

for your kind invitation

of the Spring ceremony

of the Jacques Cartier

Normal School

now write for this

purpose, and also

to ask you one or

two questions in Am.

ARCHIVES DU
FO. Verrea
NO 28
LE 10/10/1907

even anticipates

The first relates to
the existence of the
custom of making
beads of the skulls
of enemies slain in
war. I have
evidence of this in
the remains of an
old Indian village,
and am very desirous
to know if
you have met with

any record of such a

SÉMINAIRE DE QUÉBEC

Cartier,

The second is — be
there any reliable
accounts of the
Island of Montreal
and its inhabitants
between Cartier's visit
and the arrival of
the colonists in 1642,

A third is what
relation subsists between
the name Isopet given
to the old inhabitants of
Montreal and the
name Hiogrois. Evidently
