the 18th April 1866

My dear Sir!

A set of our Greenland Shells Duplicates
I shall be very pleased to exchange
for Lower Silurian fossils of Canada
and the box containing them shall be
sent to the given address of Messrs
Sausson Row et Co, Booksellers,
Ludgate Hill, London.

The fossils you may send
me either through the Danish
Consul General in London (Mr.
Westenhalm) or through Mr. Pryse
Wright, Mineralogist and Geologist,
36 Russell Street, Bloomsbury,
London.

I should like very much also
to have your Devonian and
Carboniferous plants for the
other collections here, if we had

something to send you as
an acceptable exchange for them.

One skeleton of the Delphinus
or other sea-animals of no use
for you? or will you be so
kind to name ~~any~~ other thing?

Sincerely
Yours
Jasper Peckham
