

Smithsonian Institution  
Washington. March 6. 1867.

Dear Sir:

We will send you with much pleasure the desired copies of the Smithsonian report for your own library as far as we have them. Unfortunately the disastrous fire of 1865 destroyed all the back volumes and we can only supply the reports for 1864 and 1865 which we shall send to you through the Postmaster General.

Yours respectfully

Joseph Henry
