Dear Doctor Casper

I hope you will
not think the request
I am about to make
too troublesome,
but will kindly
oblige me by granting
it. Send by
Doctor Jones to me
a shial of stuff
I old here by a
woman for the hair
I have no doubt it
is something very
simple but she

Charges such a
ridiculous,
and exorbitant
price for it, as
would actually
be enough to pay
for such a thing.
This is the best
stuff for the hair
I ever saw. How
much I should be
obliged to you if you
would kindly
ask the Professor
of Chemistry in
your College to
most carefully

Analyze it, and
let me have a list
of all the ingredi-
ents, and their
Proportions; and
will ^{you} confer a
further favour
on me by also
letting me know
if the mixture contains
anything which can
be injurious to the
health, or hair.
I hope you will excuse
my troubling you
and that you will
be able to let me
have the much

Desired recipe of
Cactus Gummy L. ✓
hope you are all
well - Will you
kindly pay for me
some Cayille, and
oft times sadly last
morning. Will you
kindly accept the
little book I send
I am sure you'll
like it. I thank God
my dear brother pro-
vices to hot he proce-
dit. I have of you
my regards to Mrs
Duncan and
Behie and
Sincerely yours
Jane S. Young.
