So late as when you next write
why the Government Canada
Bonds are so low. I have an
interest in them & ~~the~~ hold on.
I do not see (to put an extreme
case) why annexation itself
should cause repudiation.
But perhaps civil war is oppos.
head on an invasion from
the U. States. —

When I see Sir Edm. Head
will I expect to do soon I
will remember you to him. They
offered him the Governorship of Bombay
I believe but it would not do for

His health -

I am now busy with a new
edition of my Principles 2^d as the 1st
Edn. was published 11 yrs 2 1/2 ago
the task is no slight one -

Believe me
my dear Downer

Dear most my yrs
