Rev. J. Brown

My dear Sir,

You may have observed that my name has been mentioned in connection with the vacant Principalship of St. Lawrence, I suppose I would like to get it, as a greater field of usefulness and for other reasons, although the salary is less than I have here. It has occurred to me that you could help me by your testimony as to my standing and work here, more

especially as ~~at~~ most of
my friends and backers
are away the scientific people,
some of them of no good
odour with Christian people;
and the numbers and
workers in Christian work
in Edinburgh probably know
little of me.

The men also have
the appointments are the
"Curators" viz:—

The Secd. Provost, Mr. Wm. W. Chambers

Mr. Wm. J. Kyle

Dr. W. John Craig

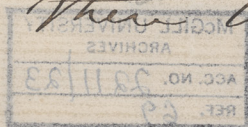

Barclay Napell

Barclay Kyle

Mr. Black &

J. Wilson Wain, Esq. of Whitefriars, Colinton

These little of
them men, as to them

Summative expectations or Christian
Character. Perhaps you do, and
could inform them through the
of my character and conduct
with Christian work here. I am
convinced to have regard to as
a great favor.

Yours accordingly
and me truly, and yours in
Sincerely yours
Wm. L. Garrison
