

Aug 21, 1868

My dear S. D. Worsow.

I send herewith  
the specimen of the trunk  
of the palm tree which I  
told you some months  
ago I was getting for the  
College Museum -

If it is not just what  
you want let me know  
and I will try to do better

next time -

Yours very truly  
P. Redpath

Principal Dawson

McGill College.
