My dear Sir,

Your welcome letter duly arrived. Mr. Motimer & myself are quite pleased with your Report & will possibly require to avail ourselves of your kind office of reference. Our present intentions are to offer our property at a time and with this view I have directed my clerk to prepare three separate Reports one for each mine which I will enclose for your signature. You will oblige me by signing them & returning them to me at your earliest convenience. As the most convenient mode I enclose my check for \$200 you see. You can easily get it cashed at your Bank. I trust your family are all well. Will you present my kind regards to Mrs. Dawson —

Very sincerely yours  
T. Henry Ince
