Dr J. W. Dawson

Dear Sir

The packages  
of Eozoon Canadense and the  
accompanying prepared specimens  
were duly received for which  
please accept our thanks.

I shall be cutting some  
shells and corals for the  
Peabody Academy Museum  
soon, and then will send some  
specimens in exchange for  
the Eozoon

Very truly yours  
Edwin Beeknell
