The Hon: James Ferrier -

Dear Sir,

I am making an effort to establish a Society for the practice of Vocal music. Such a Society is much needed in Montreal, as by it will enable those who so desire, to obtain a knowledge of music, and give an opportunity to put into practice what they learn. The expense attending the start of an organization of this kind is a great obstacle, and my object in writing is to ask you to kindly use your influence to obtain the normal school room for our rehearsals. We would of course pay the man who attends to the rooms for whatever trouble he is at, and would allow any of the young ~~A~~ ladies who go to the school to become members of the Society. We should require the room on Friday nights, unless it is otherwise engaged, ~~in~~ which case we could change our night. If you would kindly attend to

Received
this at your convenience it will materially
assist the object we have in view and much
oblige

Yours Resp^l
