My dear Sir,

I have sent
to-day a clean copy
of our Memoir on the
School of Nurses to
Sir Wm. It has been
carefully gone over by
Sir Wm, Prof. Johnson
Dr Grant myself and
we can pledge ourselves
that it will work.
I am very sorry that

We have not the means
in the Ministry to do
the whole ourselves
and thereby secure
the credit and the
benefit of what
will be in my judgment
one of the most im-
portant institutions ever
established in Canada,
and one which will
give a stimulus to
mining industry altogether

out of proportion to its
cost to the country.
I shall rejoice if it can
be done in any
way.

I shall send you
A Ottawa some notes
and extracts like
of the series of facts
relating to the country
are required
