Principal Dawson Esq.

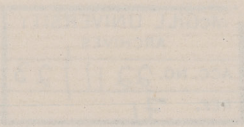

My dear Sir

Our Union
meets in Montreal this year on the
9th prox. In view of the recent Edu-
cational legislation in the Province
of Quebec, we have invited J. G.
Robertson Esq. ^{M.P.} of Sherbrooke to give
us an exposition of the School Act.
Would it be within your power to
give an address in relation to
the distribution of the Superior Edu-
cation Fund? I think it would
do a good service.

I am, Sir,

Yours respectfully

W. Manning
