

Florence 4 June 1864

My dear Sir

A few days ago I received
yr parcel safely, and hasten to
thank you for the Ceredian plants.
The fossils and corals I have
made over to Prof. Cocchi at the
Museum, as I suppose they were
intended for him in exchange of the
shells he sent you. He proposes
writing to you himself shortly
in order to thank you, and arrange
a continuation of yr scientific
correspondence which I am happy
to see is to yr mutual satisfaction.

With my best regards I remain
Dear Sir

Yrs sincerely
J. Carnel
