### Terms and Conditions on which all Messages are received by this Company.

In order to guard against and correct as much as possible some of the errors arising from atmospheric and other causes appertaining to telegraphy, every important message should be REPEATED, by being sent back from the station at which it is to be received to the station from which it is originally sent. Half the usual price will be charged for repeating the message, and while this Company in good faith will endeavor to send messages correctly and promptly, it will not be responsible for errors or delays in the transmission or delivery, nor for the non-delivery of REPEATED MESSAGES, beyond two hundred times the sum paid for sending the message. No liability is assumed for errors in cryptal or obscure messages; nor for any error or neglect by any other Company over whose lines this message may be sent to reach its destination, and this Company is hereby made the agent of the sender of this message to forward it over the lines extending beyond those of this Company. No agent or employee is allowed to vary these terms, or make any other or verbal agreement, nor any promise as to the time of performance, and no one but a Superintendent is authorized to make a special agreement for insurance.
