My Dear Sir

I have undertaken to find the "whereabouts" to enable Dr. J. Macoun to make a Botanical tour on the north shore of Lake Superior during the coming summer his collections being distributed among subscribers to his expenses. Have you any funds from which you could draw a subscription towards this undertaking, and if so what sort of plants would you prefer getting?

Yours truly

I will reply to you in regard to this — but do so as soon as possible as I must be absent for some time.

Please let us know if one of you has a spare of

In haste

Yours most truly
