

In hope, though quiet I collect -  
Mr. Dumber who explains to me  
the arrangements as to the members  
of the new Council in what I should  
agree except for super claims in  
my pay & myself and also the  
of a school as and old course  
educational. He stated to me  
more a point about the  
amen and what he says he  
wants to go to that in the  
pretended to place me as a  
level with regard to the school and  
the principles of the two  
schools. ~~There is a~~ ~~band~~  
about school that he would  
do to and thus appear rather  
Mr. Dumber wanting it shows me  
that instead of as I had kept  
very the school of the  
school school of my school with  
it there been many an opening  
day evening and that of the  
union & disburse to the. As for  
from the school was not  
of my school it was said upon
