

P.S. It occurs to me in
looking on the above that
I have not been sufficiently
explicit as to the support
to the appeal except of
the chances of getting
an amendment of the
Narrow School to the Council
There is really nothing in this
that I do not dwell on in the
views for which we are
able of the Council,
But my end always is
independence of the Council but
a man to put a price
we buy and of by means
with the narrow school
as the case often is
I myself and the Council
