

Montreal April 8. 1870

My Dear Sir

I send with this a little parcel  
which you were so kind as to offer to take to  
Sir William. It holds the Annapolis Ezoum  
sections & a slice of the Chelmsford Ezoum  
better than those Sir William took with  
him. I copied your notes on the E. Acad-  
emic & have mailed them to Sir Wm.

As I intend to deliver this Ezoum in per-  
son I need say no more. except that you  
will if come here no trouble with the par-  
cel as you will be sure to meet Sir  
William in Ludmatalan early day -

Very faithfully yours
