My Dear Sir

I intended to call on
you at Chelsea for that
purpose ^{but} on Saturday last
but mistaking your address
there I had to give it up as
coming time there was hindered
by a subsequent engagement
in Grosvenor Place Letter
Square -

I believe you have the intro-
duction of my Paper of obser-
vations on Recent Glacial Action
in Canada - It has fallen into good
hands - A slight alteration in the
beginning as to the title dual ^{of the}
which I wish to mention is necessary.

and any other you may be
aware of that kind - I leave
London to-morrow morning
& I fear I shall not have the
pleasure of seeing you here -
now - I must leave England for
Canada on the 26th instant
in the Custom with Mrs
Bleasdale who is with me
in England -

I am Dear Sir

Yours Very Truly

W^m Bleasdale
Principal Surveyor.
