Dear Dr Dauson

I shall be very glad to see you on either Tuesday or Wednesday morning as early as may be convenient to you. If you should be disposed for a morning walk, and would come to breakfast with us at half past eight, we could

have a longer
chat, as I must leave
home soon after eleven

A line in reply, say-
ing when you will
come, will much
oblige

yours faithfully

William Carpenter

P.S.

I shall be happy to
see you at the New

Building of the Univer
sity, either on Monday,
Tuesday, or Wednesday,
between 12 and 14 o'clock

Principal Dawson
