

18, Queens Gate,

Hyde Park W.

Tracy

General Dawson

I have only just
got home to the Laundry
some dinner for the night
& see Mrs. Rose who is
in the Country. She will
have the pleasure of
calling on Mrs. Dawson
as soon as she returns.
Bromwich perhaps

1851

Mrs. Lawrence wanted like
 to take a drive to day
 of the w^d, with her
 and let the horses
 know what hour
 she w^d like to have
 the carriage sent.

I am obliged to be
 in the City all day

from 10 to 5 - (away to
the relief of one of my
harness / a school
probably to the County
to move to
again per Sunday. So
perhaps we had better
defer any actual settlement
then I must finally
what of beans are.
I will write you again

in the course of the day
as in the May
with the most remarkable
of the season &
success of the business
from the
General
