

My dear Sir

Many thanks for

Your note concerning which
Mr. Montgomerie himself
will address you, asking
you to name Monday, or the
following Monday for the
paper you have kindly
promised to read.

The Institute is
entirely non-political.

I have, under the seal
of the Commissioner of

Mines, a memo. of the
crushing of over 17000
tons of quartz at
Maricopa which gave
over 15000 oz of gold.

If this is of any
service to you, I shall
be glad to send you
the original documents.

I am anxious to see
justice done to the
gold as well as the

Coal & Iron deposits of
your Section, & any
authoritative statement,
such as I have instanced,
if brought respectfully
before a body of men
such as you will
meet at the Institute
would be of great
advantage.

Yours faithfully
Edw. M. Punter
Monday
