

Open Sun. Co. 1870

My dear Dr. Bussey,

May I venture
to introduce to you
W. Dawson, Principal
of the University of Montreal -
a man of great scientific
attainment - and one who
has deep knowledge of
much that we have lately

talked about.

Do ask the Principal
about Darwin, if
agreeable to you, in your
handwriting. He will please
him much.

Love
yours
gratefully

W. H. Murray
