

8, Blomfield Road,
Shepherd's Bush,
June 23rd, 1870.

My dear Sir:-

Your letters have duly
come to hand. It is
my purpose, if all be
well, to leave Liverpool
on Thursday, Aug. 25th,
so as to have time to
prepare for the heavy
Exam. work with wh.
our next Session will
open. Of course, Messrs.
Lush and myself shall
be very glad to have
Mr. Dawson for our

fellow-passenger and
will do everything we can
for her.

I am sorry there is
little chance of our
meeting. Last week I
had laid all my plans
for a visit to Edinburgh
on the business which
has brought me here,
but later news rendered
it unnecessary. I find
good fairs as scarce
and dear a commodity
here as in Canada, and
am not at all sanguine
as to the success of my
mission.

Have you received any
copies of our new Cal-
endar? I asked Hayes
to forward some both
to you and to me. They
should have come by
this time.

I trust you will suc-
ceed in picking up
an Assistant Prof. either
in England or Scotland.

My wife unites with me
in all kind greetings to
Mr. Dawson and yourself.

We stay here till July

7th. I remain,
Yours truly,
G. Dawson, Geo. Bush.
