Filed under Aug 1870. (see W.D.'s  
note verso)

I take pleasure in recommending  
by favorable notice as a teacher of es-  
sential branches Mrs Anshie Walker.  
Having known her during the present  
Academy year, I not only have formed  
a high opinion of her as an estimable lady,  
but also am convinced that wherever  
she may become known, those who  
have to do with her will entertain the same  
sentiment. My opinion of her as a  
proficient in Fine Arts grows out of the  
pleasure I have taken in looking at some  
of her productions of different kinds  
all of which are of the highest order.  
My confidence in her as an instructor  
is based on the rapid proficiency  
attained and the complete satisfac-  
tion expressed by those to whom she  
has given lessons.
