Dear Sir I am instructed  
by the Young  
men's Chm Assn of this  
City to request the favor  
of a public lecture  
from you during the  
coming season;

Our Assn numbers  
several hundred young  
men and is in an inter-  
esting state - Dr. Don. Wilson  
is Pres. Our efforts  
are being directed to the  
securing of a permanent  
building for our use.

It is proposed to  
devote the net proceeds  
of the lecture course  
to this end. We hope  
to have Mr. Kimbrough

Dr Wilson and other eminent gentlemen of this and other cities on the list and would be very glad to have yours among them.

I hope, as we apply so early in the season, that you may be able to comply and let me know every day & subject.

Yours very faithfully  
J. Hamilton
