

copy to me ^{and} ~~copy~~
I shall send by mail on Friday
next MS of three numbers
of the Geological States of the
Linnæus House

Thence with them with
the idea of being popular yet
not diffuse and of giving illus-
trations to be fresh to
British readers scientific &
otherwise.

In regard to length I
think I have kept within
the bounds presented with
with some exceptions. I will
be glad to learn your
opinion but the work

will probably require a very
the illustrations I could find suitable.
I have prepared drawings which
I send and which I think
will be valuable themselves
and new. If you can
afford them please refer.

We and I shall be glad
to see you. If you
have any suggestions
please send us and
I shall be glad to see in
my newspaper how that
the copy will be
better than any other

I must be
with you but my
name attached to
the articles. I have not
in the suggestion that
you do but have no
objection to being named
in your paper that is
best.

I should much
prefer that I should say
nothing if you can not
say 4 or 5 words of the
top of your
