Dear Sir

I venture to write to you
tempted by your kindness when in
England, to mention that I
am a Candidate for the Professor-
ship of Natural History in the
Queen's College, Belfast, in Ireland
lately held by Professor Wyville Thomson,
and to ask that if you should have
seen any writings of mine of which
you have been led to think favourably,
you will do me the kindness to
express that opinion in the form of a
testimonial which I could submit
to the Irish Government in support
of my application for the Chair

I enclose to you some of the
papers which will be submitted
in my behalf.

Trusting you will pardon the
liberty I take in thus writing

Believe me

my dear Sir

with kind regards

very faithfully yours

Harry Govier Seeley.

To the

Rev^d Prof Dawson
