Perriss Esq.

I have given a few copies to the
Teachers in our Public Schools. —

Last evening I received by a
notary, a sum of one thousand dollars for
the British & Canadian School, a legacy of
the late Mr Nottingham, "for the use and
benefit of the School" to be applied in any
way that I think best. —

I shall be glad to have your opinion,
in what way this sum shall be disposed,
for the interest of the School and at the
same time to retain in remembrance
the donor of this munificent gift. —

Yours very sincerely
Wm Emm
