Dr Dawson

My dear Sir:

The package of cuts has come safely, and I thank you for them. I shall soon give the article to the printers, and will send you a proof. -

Can you tell me where I can find any recent article or memoir on the geology of Newfoundland besides what appears in Billings's volume of 1866?

Wishing you & yours  
a Happy New Year

We should always be  
glad to publish any papers  
of yours if you give us the  
first chance. I often desire to  
reprint <sup>published</sup> your papers, a notice  
them ~~at~~ length, and fail of  
it for want of space.

Yours
