My dear Sir,

I enclose here
with a sheet paper a
Tree = ferns from the Devonian
which please submit to
the Council for approval.
I have sent with it
some drawings on tracing
paper. If pasted ^{or pinned} against
a sheet of white paper
they will serve as illus-
trations for the meeting, and
may also be reduced for
wood = cuts to illustrate
the paper if printed.

My dear Mr. Rogers I send
a card of mine of the
two years which please
insert when the paper
is read.

To save trouble
I send an abstract
into the paper.

With all good
wishes Truly yours
