

Pictou N.S.

21st Feby 1841

Dear Sir

We enclose Copy of yours
of with us to date showing Dr Bal
\$5. We have only recently called
Pottingers attention to his int: on
Mortgage being ^{over} due and, with
a little dunning, we will prob-
ably get it out of him. You
will see on reference to the ^{of} that
the Deed of the lot of land at
Moose River has passed from
Sterns wife to you. We have
sent a small sketch of the Lot
to a farmer living in the vicinity
who has promised to see that
it is not plundered nor squatted
on. According to the Deed
Plan there are 325 acres.

The writer paid you Annual
Contribution to the Foreign
Mission \$20.

McGILL UNIVERSITY
ARCHIVES
ACC. NO. 0011
82

We enclose one or two Circulars which announce the intention of the Y.M.C.A. here to secure a Building of their own if possible and in this way help to make the Institution a permanent one and we should be glad to receive the assistance of any friends in Montreal. We are about to apply to the present House for an Act of Incorporation and if your time permit would you kindly procure and send us soon a copy of the Act of Incorporation of the Montreal A^{ssn} to assist us in framing one for ourselves. Friends here are all well - weather very cold Therm^o. 15° to 28° below Zero occasionally.

Yours Truly

Primrose Parsons

Principal
Dawson

I have the pleasure to acknowledge the receipt
 of the \$100.00 which has been received from
 the building of their own of business
 and in this way help to make
 the institution a permanent
 one and no other but the plan
 to secure the assistance of our
 friends in Montreal. We are
 very glad to help to the extent
 of our little of the institution
 and your kind promise and send
 you a copy of the list of
 the institution of the institution
 of the amount as we find
 are for ourselves. There
 here are several matters
 which I have. 1878
 I am very sincerely
 Yours truly
 P. W. H.

Dear Sir

The enclosed copy of your
of with us to the showing that
to. We have only recently called
attention to his list.
Montague's book, the one with
a little commentary, we will
only get it out of him. You
will see on reference to the
the best of the lot of them at
Montague's has passed from
them to you. We have
but a small sketch of the book
for former having in the
what has happened to see that
it is not pleasant in quality
on. We refer to the best
of them there are 325 copies.
The writer has your
contribution to the
