Dear Sir

I hesitate somewhat
before asking at your hands
another favor, but knowing your
willingness to aid those desi-
rons of information I venture
to ask once more the loan of
the pamphlet published by
you some years ago and
referring to the "History of the
College." There are some facts
contained therein which I
should like to compare
with matter already secured
upon the subject. The work
will be returned immediately

after the articles have been
copied. I have in my posses-
sion a small engraving of
Dr. McGill taken I believe from
a picture in the Convocation hall.
It has unfortunately received
some damage which prevents
its being used for photographic
purposes. But I am informed
that there are duplicates in
possession of the College Outfit
shop. If so I should like the
loan of one for a few days.

I enclose you a rough sketch
of the proposed frontispiece
and I would take it as a
favor if you will kindly
inform me, how you would
prefer your name and titles
being placed. I have taken
this step thus far without
consulting you but I hope it

with ^{with} must be given approval in or I am sure
it will be more than acceptable to the Trustees
of the college who may receive it.

I am

Yours Respectfully

Wm. Bradford
