

Montreal 15th Apr.

Charles Henderson appeared
at 11. His mother Mr Ruggen
the mother-in-law & another
were up. He got
no bail & thus de-
cided so he was put
to prison. This is prob-
ably the best thing tem-
porarily but his
friends should have

him looked after. He
seems to me quite
unfit to be left at
large with his present
excitement on him.

I told his mother

you were desirous of
seeing him put into
proper keeping &c?

as to getting them
I don't see why
