Dear Sir,

I handed to
Mrs. Henderson Beal's
Certificate as to her son.

She seems to want to
take him to Sorrel for
a time, & if it becomes
a question whether we
sh^d. consent to his getting
out. I fear we have

no kind of certainty
that he w^d. go, or w^d.
remain there, and
it is matter to be

seriously considered
whether he sh^d. not
remain in jail, unless
arrangements can be
taken care of.

I found no op-
portunity yesterday
of talking the matter
over with you

Yrs truly

W. Robertson
