

Thursday 28 - Apr. / 71

My dear Sir

I have sent a copy the note  
on Crinoids etc to the Mining Journal  
of N. Y. which had printed Reed's lucu-  
brations written a note to the Editor -  
I also send it to Dana. & Putnam at  
Salem. & with a little note to Dr. W. B.  
Carpenter: I want an occasion to write  
him a few words

Mr. Smith is anxious to figure the  
Crinoids - and would be glad if you can  
spare him half an hour to show  
him at your house your own spe-  
cimens. He takes a great interest in  
the matter & will be service to you

Hunt Apr 1/71

kindly let me know when it will be convenient for you to see him.

faithfully yours

J. Stern Hunt

Dr. J. W. Dawson
