

Montreal May 12. 1871-

My Dear Sir

an unlucky accident
has mislaid or lost your note
sent me about Hyatt slope. The
added to the note you sent me
You will recollect that in it
you proceeded to say why Dr.
Dawson thought Nelson of
acceleration & retardation the
one must prohibit towards
an explanation of the engine of
species. If not too much
trouble to send me a few
lines once more I shall feel

Very greatly obliged.

Hunt
May 24/71

Yours most truly.

G. Steery Hunt.
