

Ottawa, May 20<sup>th</sup> 1871

My dear Sir

The matter to which your  
note refers can be arranged by yourself and  
Mr Selwyn in any mode that will be most  
satisfactory to you both. I shall be quite content  
that the work which cannot fail to be of general  
interest and value should be published as you  
propose.

Believe me

Yours truly

Joseph Howe
