My dear Sir,

I am ashamed of my  
blunder in the Freeman &  
Magazine by your licensing it. I  
really had the impression from  
Benjamin Davis but ought to have  
made inquiry. How glad I  
am that these are as  
they are. I have looked over  
the Mesozoic portion today, but  
have no new tertiary literature  
save that which the Quarterly

Journal of the S.S. supplies. If  
anything unexpected turns up  
we shall hear of it at  
Edinburgh in August or you  
will see it in the papers or if  
not published or I know of it  
I will write you. The articles  
are beginning to excite attention  
but they will not be fully  
appreciated until well nigh  
completed

Yours faithfully  
M. Patterson
