Dear D^r Dawson,

I am very unhappy about the fourth lecture since Professor Goldwin Smith declines.

It was not possible to get the lectures on Physiology, the Doctors being unwilling or unable when it came to the last. I thankfully accepted D^r Hunt in their place. We will gratefully accept a course of lectures from you on any subject you please - we will wait your College arrangements for English Literature if you advise it - we will accept D^r Johnson on Astronomy if he is ready - please help me in my difficulty.

We have the \$20.00 per
lecture ready, having the
necessary number of Members
I write in haste as Anna
kindly waits.

Yours faithfully
Lucy Simpson
