

Dear Dr. Lawson,

As 1<sup>st</sup> Director of  
the Ladies' Educational  
Association - I write to  
ask if you will be so  
very kind as to give us  
a course of lectures, which  
some time since, you  
most kindly implied  
if we found necessary  
you would do, although  
you at the same time  
said you would very  
much rather not - now  
I ask you if you care

manage to do so - as it  
would be a great boon  
to us - of course, we  
must leave the  
subject to you, as your  
judgment will be  
so superior to ours.

I trust you will  
be able to give us  
a favourable answer.  
as it is of great im-  
portance to us - and  
you will add to the  
favour by letting

we know your  
decision and the  
subject of the course  
as soon as possible.  
with kind regards,  
I am, yours truly  
Anne Motton
