My dear Sir:

Allow me to thank
you very much for the
two letters of introduction
you have been so kind
as to send me in view
of my proposed trip
to Ottawa; and I need
hardly say that I shall
do my best to make
use of both of them.

I intend being back
here on the 1st of Jan; & shall

make

a point of seeing you
in order to make final
arrangements for our
journey to New Haven prior
to the 3rd proximo.

With kind regards believe
me to be,
Very truly yours,

Jas. Fred. Armstrong

Dr. Dawson.

P.S. With reference to the
return journey from New Haven
I may say that I shall be
prepared to take any course
you may deem best.
