

Auburn, New York
July 16th 1872

Sir,

Have you in your
collection of Ethnological
Specimens a full as-
ortment of the flints
from Yorkshire, England?
I have a quantity
of duplicate forms from

that locality and am
anxious to exchange
some of them for similar
material of that continent.
I have knives, scrapers,
slung stones, arrow points &
in abundance, with a
few Boy flints, and disk
hatchets. If you can
use any thing of the
kind to advantage I

Should like very much to
exchange with you. Will
you kindly drop me a
line on the matter?

Please excuse the liberty
I take in addressing you
and believe me to be, Sir,

With great respect,

Your obedt servant

Wm A Baker
