My dear Principal

I may excuse my
troubling you, but a
request has been forwarded
to me to procure seeds on
other means of propagation
the *Myrica odorata*,
and *Myrica odorata*
Dorea;

Rosae - Lilies which are
said to grow in Canada
and to be very beautiful -

Could you kindly assist
me in any way, or
direct me to where I
could purchase what is
asked for?

Believe me faithfully
Yrsgar -
